ECA3253-WB

ENERMAX
POWER. INNOVATION. DESIGN.

Features

Ostrog – The fortress for your hardware
Solid case for office workstations and gaming PC. Plain and timeless design, refined black front panel with stylish mesh frame in different colours. Black coated interior.

Eye Catcher (only ECA3253-WB)
Acrylic window to attract envious eyes on high-performance hardware and stylish configurations. With two 12cm fan slots .

Professional Cooling System
Outstanding cooling performance for a case of the entry-class: Supports up to seven fans. A 12cm front fan, a 12cm rear fan (pre-installed), two 12/14cm side fans, two 12/14cm top fans and a 12cm bottom fan.

Ultra High-speed Data Transfer
USB 3.0 interface on the top panel for a lightning-fast data transfer with up to 5 Gb/sec. Connected via internal 19 pin connector.

SSD ready!
Shipped with 3.5"-to-2.5"-adapter for easy 2.5" SSD or HDD installation.

Easy Accessible Top Interfaces
With 1x USB 3.0, 3x USB 2.0 and audio I/O.

Full Gaming Power
Removable hard disk cage to support longer high-end graphic cards with up to 413mm length.

No more tangled cables
Cutouts for a hidden and clean cable management. Plenty room for an efficient cable routing behind the mainboard tray.

Quick and User-friendly System Installation
Screwless quick release fasteners for HDD and ODD, thumb screws for side panels and cut out for comfortable CPU cooler montage.

Bottom-mounted PSU
Comfortable cable routing and optimized cooling performance thanks to bottom-mounted power supply. With anti-vibration rubber pads and cleanable dust filter at the bottom of the case.
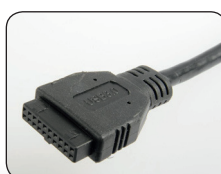

Liquid Cooling
Two water cooling holes with rubber grommets at the back of the case.

| Tool-less design for easy installation | Top I/O and device tray for quick access | Internal USB3.0 support | CPU Cooler support up to 174 mm | Removable HDD cage |

VGA Card Support

286.3 mm

413.8 mm

Removable hard disk cage to support longer high-end graphic cards with up to 413mm length.

Cooling System

REAR (exhaust)
1x 12cm fan
for CPU/VGA cooling

Top (exhaust)
2x 12/14cm fans
for CPU cooling

SIDE (intake)
2x 12/14cm fans
for CPU/VGA cooling

BOTTOM (intake)
1x 12cm fan
for VGA cooling

FRONT (intake)
1x 12cm fan
for HDD cooling
