

# STARAY<sup>Lite</sup>

## ATX Midi Tower

## Product Information

### Staray: Robust Construction, Perfect Design

Simple and at the same time elegant case for office workstations and gaming PC. Large mesh front for best possible air circulation.

### Well-thought Cooling System

One fan in delivery. Can be upgraded to four fans – one front fan, one rear fan and two side fans.

### Quick and User-friendly System Installation

Screwless quick release fasteners for ODDs, thumb screws for side panels, cut-out for comfortable CPU cooler mounting and pre-assembled motherboard spacers.

### SSD ready!

Shipped with 5.25"-to-3.5"/2.5"-adapter for the installation of additional 3.5"/2.5" SSD or HDD inside the 5.25" drive bay.

### Ultra High-speed Data Transfer

One USB 3.0 interface on the front panel for a lightning-fast data transfer with up to 5 Gb/sec.

### Easy Accessible Front Interfaces

1x USB 3.0, 1x USB 2.0 and audio I/O.

### Optimal dust shielding

Anti-dust filter behind the front panel and at the bottom of the case.

### Excellent Passive Cooling

Air-permeable meshed front panel with dust filter.

### Liquid Cooling

Two water cooling holes with rubber grommets at the back of the case.
