ECA3122-BS(U2)

ADV
VOSTOK

Features

Vostok Advanced – Elegant and Multifunctional Design
Precious and glossy black front panel with blue illuminated power button, aluminium-look design elements and black or silver stripes (depending on the model).

Efficient cooling
One 12cm rear fan in delivery. Can be upgraded with one 8/9/12cm front fan for an effective air flow conduction.

Cover for CD/DVD/BluRay Drive
The glossy front panel comes with a 5.25" drive bay cover to keep the front design clean and hide different-coloured CD/DVD/BluRay drives.

Ultra High-speed Data Transfer*
One USB 3.0 interface on the front panel for a lightning-fast data transfer with up to 5 Gb/sec. *only ECA3122-B(U3)

SSD ready!
Shipped with 5.25"-to-3.5"/2.5"-adapters for the installation of two additional 3.5"/2.5" SSD or HDD inside the 5.25" drive bay.

Easy Accessible Front Interfaces
1x USB 3.0 & 1x USB 2.0 or 2x USB 2.0 and HD audio I/O (depending on the model).

Quick and User-friendly System Installation
Screwless quick release fasteners for ODD, easy mounting system for 2.5"/3.5" HDD/SSDs, thumb screws for side panels, detachable front panel, cut-out for comfortable CPU cooler installation and pre-assembled main-board spacers.

Bottom-mounted PSU
More comfortable cable routing and optimized cooling performance thanks to bottom-mounted power supply. With anti-vibration rubber pads and cleanable dust filter at the bottom of the case.

Features

Cut-out for an easy CPU cooler installation

Bottom-mounted PSU

Removable dust filter

Toolless ODD installation

5.25"-zu-3.5"/2.5" adapters
